

# The Role of Interventional Pain Management in the Treatment of Chronic Pain

**Wednesday, July 19**  
**6:30 - 7:30 PM**

*Proudly hosted by Tall Oaks Assisted Living*

Dr. Virgil Balint of National Spine & Pain Centers will discuss interventional pain management, specific conditions, procedures, and medication management. With the new opioid management law recently introduced by the Virginia Board of Medicine, you may have questions about how medical management works at NSPC.

Space is limited! For more information or to RSVP, contact Ellen Dooley at 703-834-9800 or email her at [edooley@talloaksal.com](mailto:edooley@talloaksal.com).
